

# Commonwealth Woodstove Change-Out Program

## 2017 Eligible Stove List

Updated May 10th, 2017

All stoves on the following list may be installed under the 2017 Commonwealth Woodstove Change-Out Program. Stoves are listed alphabetically by manufacturer and model. Please note that some stoves may be listed under a different manufacturer (for example, Vermont Castings stoves are included under Monessen Hearth Systems Company).

**To find your stove on this list:**

1. Press CTRL+F (or CMD+F if using a Mac) to search this page
2. Search for a distinct segment of the name of the stove you plan to install. For example, to find the Enviro M55C stove, you could type in "55c"
3. Press enter until you see the correct stove
4. Copy and paste the Stove ID, including dashes, into the correct field on the application
5. If your stove does not appear when you search, try searching a different word in the stove name

Stove IDs have been assigned using the convention below. When entering a stove ID in the application, please check that the stove prefix matches the value of the rebate for which you are applying. For instance, a stove with the stove ID prefix "NC3E-" would be eligible for the \$500 Standard Rebate or the \$1,500 Income-Based Rebate *and* the \$250 efficiency adder, whereas "NC3N-" would not be eligible for the efficiency adder. Before submitting your application, please confirm that the stove ID you entered matches the one in this document.

Stove Type	Max PM <sub>2.5</sub> Emissions	Stove ID Prefix
Pellet Stove	≤2.0g/hr	PEL
Catalytic Woodstoves	≤2.0g/hr	CAT
Non-Catalytic Woodstoves	≤2.0g/hr	NC1
Non-Catalytic Woodstoves	>2.0 and <3.0 g/hr	NC2
Non-Catalytic Woodstoves	≥3.0 and ≤3.5 g/hr	NC3
Fully Automative Woodstoves (FAW)	≤3.0g/hr	FAW

It is the responsibility of the Stove Professional to make sure that stoves installed under the Commonwealth Woodstove Change-Out Program appear on this list. **If an installed stove does not appear on this list, it will not be eligible for an award.** MassCEC may modify this list at any time.

If you have questions about a stove not included here, or want to confirm a stove's eligibility, please contact us at [woodstoves@masscec.com](mailto:woodstoves@masscec.com).

Stove ID	Manufacturer	Model make/number	Stove type	PM emissions (g/h)	Efficiency (CSA B415.1)	Standard Rebate *	Income-Based Rebate *
